-
1. Great work!
 2. Perfect TA. Couldn't ask for anyone better.
 3. Excellent TA! Nir patiently answered all of my questions and helped me to understand difficult material.
 4. Very helpful TA - always made extra time for us and cared that we succeeded and was effectively able to translate very tough concepts into something we could understand. Thank you!
 5. Nir is an outstanding TA, commonly going above and beyond what was necessary. Here are a few, but not all, examples "1" Leaving detailed helpful feedback on homework and tests. "2" Conducting excellent review sessions - often showing how to solve the HW in multiple ways, solving past test comp problems, and even scheduling additional review sessions when there were an abundance of questions on a topic. "3" Holding extra office hours to answer questions. His explanations were clear and lucid, and he always made review sessions engaging, even if the material was somewhat dry. I genuinely appreciate the work that he put in this year, and hope to be fortunate enough to have him TA other classes in the future!
 6. Nir is super kind and responsible. He explained materials clearly every review session
 7. Thank you!!
 8. Nir is great. Easily the most underpaid employee in the UT system.
